Dates	28/08/2010 – in progress
Occupation or position held	External consultant
Main activities and responsibilities	Project management assistance within the LIFE+ Nature project “Measures for the conservation of Chiroptera and Avifauna in Central Italy” SAVE THE FLYERS (LIFE08 NAT/IT/000332, www.lifesavetheflyers.it). Technical and financial assistance, amongst other actions preparation of papers for the purchase of devices for the monitoring of the released red kites (since 2012 collaboration with the Institute for Biodiversity and Ecosystem Dynamics of the University of Amsterdam for the use of the Bird Tracking System UvA-BiTS), monitoring of the released red kites (through VHF traditional transmitters, Argos satellite transmitters and GPS dataloggers), collaboration in the project website design and in its management (preparation of the website map, drawing up and update of the contents).
Name and address of employer	ENEL Distribuzione SpA, via Ombrone 2, 00198 Roma, Italy
Type of business or sector	Electric company
Dates	2009 – in progress
Occupation or position held	Work project-based contract
Main activities and responsibilities	Project manager of the LIFE+ Nature project “A new strategy against the poisoning of large carnivores and scavenger raptors” ANTIDOTO (LIFE07 NAT/IT/000436, www.lifeantidoto.it). Technical and financial management of the whole project. Relations with the Italian coordinating beneficiary and the Spanish associated beneficiaries (Junta de Andalucía, Gobierno de Aragón, AMAYA, SODEMASA), missions in Spain, collaboration in the project website design and in its management (preparation of the website map, drawing up and update of the contents), cooperation in the production of didactic and technical products, organization of workshops and other technical or dissemination events, drawing up of the technical and financial reports for the European Commission etc.
Name and address of employer	Ente Parco Nazionale del Gran Sasso e Monti della Laga, via del Convento 1, 67010 Assergi (AQ), Italy
Type of business or sector	Public body
Dates	2012
Occupation or position held	External consultant
Main activities and responsibilities	Monitoring of the 2012 breeding season of the reintroduced red kites (<i>Milvus milvus</i>) in the Upper Albegna Valley (GR, Italy) within SAVE THE FLYERS LIFE+ Nature project (LIFE08 NAT/IT/000332). Search and monitoring of nests.
Name and address of employer	Unione dei Comuni Montani Amiata Grossetana, Loc. Colonia, 58031 Arcidosso (GR), Italy
Type of business or sector	Public body
Dates	2008- 2012
Occupation or position held	External consultant
Main activities and responsibilities	Translocation of a total of 45 young red kites (<i>Milvus milvus</i>) from the Canton of Fribourg (Switzerland) to the Endangered Raptors Centre (CERM) located in Southern Tuscany within the red kite restocking programme of SAVE THE FLYERS LIFE+ Nature project (LIFE08 NAT/IT/000332).
Name and address of employer	Unione dei Comuni Montani Amiata Grossetana, Loc. Colonia, 58031 Arcidosso (GR), Italy
Type of business or sector	Public body
Dates	2012
Occupation or position held	External consultant
Main activities and responsibilities	Supplying of 5 satellite transmitters (Microwave Telemetry, ARGOS system) for red kites (<i>Milvus milvus</i>) within SAVE THE FLYERS LIFE+ Nature project (LIFE08 NAT/IT/000332).
Name and address of employer	ENEL Distribuzione SpA, via Ombrone 2, 00198 Roma, Italy
Type of business or sector	Electric company
Dates	2012

Occupation or position held	External consultant
Main activities and responsibilities	Hacking of one young Egyptian vulture (born in the Tuscan captive breeding station) in Gravina di Laterza LIPU Oasis (TA, Italy) in August 2012. Individual fitted with VHF transmitter and plastic ring.
Name and address of employer	LIPU/BirdLife, Via Trento, 49, 43100 Parma, Italy
Type of business or sector	ONG, Conservation of nature
Dates	2011
Occupation or position held	External consultant
Main activities and responsibilities	Monitoring of the 2011 breeding season of the reintroduced red kites (<i>Milvus milvus</i>) in the Upper Albegna Valley (GR, Italy) within SAVE THE FLYERS LIFE+ Nature project (LIFE08 NAT/IT/000332). Search and monitoring of nests.
Name and address of employer	Unione dei Comuni Montani Amiata Grossetana, Loc. Colonia, 58031 Arcidosso (GR), Italy
Type of business or sector	Public body
Dates	2011
Occupation or position held	External consultant
Main activities and responsibilities	Planning of modular aviaries for Egyptian vulture (<i>Neophron percnopterus</i>) and Lanner falcon (<i>Falco biarmicus</i>), including facilities and TVCC video control system for the Osservatorio Faunistico Regionale di Bitetto (BA, Italy); drawing up of a vademecum for the management of E. vulture pairs.
Name and address of employer	Regione Puglia, Via Palmiotti, 43, 70020 Bitetto (BA), Italy
Type of business or sector	Public body
Dates	2011
Occupation or position held	External consultant
Main activities and responsibilities	Assistance to the restocking of the red kite (<i>Milvus milvus</i>) in the Gola della Rossa e di Frasassi Regional Park (AN, Italy) within SAVE THE FLYERS LIFE+ Nature project (LIFE08 NAT/IT/000332), year 2010; coordination of the translocation of 10 red kites from Corsica; individuals fitted with plastic rings and wing tags.
Name and address of employer	Comitato Oasi WWF Bosco di Frasassi (AN), Via Berti, 4, 60044 Fabriano (AN), Italy
Type of business or sector	ONG, conservation of nature
Dates	2011
Occupation or position held	External consultant
Main activities and responsibilities	Census of the ponds of the Amiata area. Advice for the creation of new wet ponds and for the restoration of the existing ones within SAVE THE FLYERS LIFE+ Nature project (LIFE08 NAT/IT/000332).
Name and address of employer	Unione dei Comuni Montani Amiata Grossetana, Loc. Colonia, 58031 Arcidosso (GR), Italy
Type of business or sector	Public body
Dates	2011
Occupation or position held	External consultant
Main activities and responsibilities	Technical directions for making the power lines of the Upper Albegna Valley safe for birds (GR, Italy) within SAVE THE FLYERS LIFE+ Nature project (LIFE08 NAT/IT/000332).
Name and address of employer	Unione dei Comuni Montani Amiata Grossetana, Loc. Colonia, 58031 Arcidosso (GR), Italy
Type of business or sector	Public body
Dates	2010
Occupation or position held	Voluntary collaboration
Main activities and responsibilities	Collaboration in the drawing up of a feasibility study for the reintroduction of the bearded vulture (<i>Gypaetus barbatus</i>) and the restocking of the griffon vulture (<i>Gyps fulvus</i>) in the Italian Apennines (Parco Nazionale del Gran Sasso and Monti della Laga eand Parco Nazionale dei Monti Sibillini).

Name and address of employer	Fulvio Genero et al.
Type of business or sector	-
Dates	2010
Occupation or position held	External consultant
Main activities and responsibilities	Assistance to the restocking of the red kite (<i>Milvus milvus</i>) in the Gola della Rossa e di Frasassi Regional Park (AN, Italy) within SAVE THE FLYERS LIFE+ Nature project (LIFE08 NAT/IT/000332); coordination of the translocation of 7 red kites from Corsica; individuals fitted with plastic rings and wing tags.
Name and address of employer	Comitato Oasi WWF Bosco di Frasassi (AN), Via Berti, 4, 60044 Fabriano (AN). Italy
Type of business or sector	ONG, conservation of nature
Dates	2010
Occupation or position held	External consultant
Main activities and responsibilities	Hacking of three young Egyptian vultures - <i>Neophron percnopterus</i> (one born in the CERM Endangered Raptors Centre, one coming from Jerez de la Frontera Zoological garden, Spain) in the Gravina di Laterza LIPU Oasis (TA, Italy) in August 2010. Individuals fitted with VHF transmitters, satellite transmitters (two of them) and plastic rings; radiotracking and management of the satellite data.
Name and address of employer	LIPU/BirdLife, Via Trento, 49, 43100 Parma, Italy
Type of business or sector	ONG, Conservation of nature
Dates	15/06/2010 – 31/07/2010
Occupation or position held	External consultant
Main activities and responsibilities	Management of the CERM Endangered Raptors Centre (Rocchette di Fazio, GR) within SAVE THE FLYERS LIFE Nature+ project (LIFE08 NAT/IT/000332) and management of the red kite (<i>Milvus milvus</i>) restocking programme; realise of 18 red kites fitted with plastic rings and wing tags, video control of the feeding platforms.
Name and address of employer	Unione dei Comuni Montani Amiata Grossetana, Loc. Colonia, 58031 Arcidosso (GR), Italy
Type of business or sector	Public body
Dates	01/01/2010 – 15/06/2010
Occupation or position held	External consultant
Main activities and responsibilities	Collaboration to the management of the Endangered Raptors Centre CERM (Rocchette di Fazio, GR) within SAVE THE FLYERS LIFE+ Nature project (LIFE08 NAT/IT/000332) and to the monitoring of the released red kites (<i>Milvus milvus</i>).
Name and address of employer	ALTURA, Associazione per la tutela degli uccelli rapaci e dei loro ambienti, Via Cardinal San Felice, 4, 00167 Roma, Italy
Type of business or sector	ONG, Conservation of nature
Dates	22/10/2009 – 23/10/2009
Occupation or position held	Voluntary collaboration
Main activities and responsibilities	Cooperation in the organization of the "Birds of prey LIFE-Nature Workshop" planned by the European Commission in Arcidosso (GR, Italy). Presentation of the activities carried out in the Amiata area within two LIFE Nature projects (restocking of the red kite – <i>Milvus milvus</i> - and actions for the conservation of the Egyptian vulture – <i>Neophron percnopterus</i>), visit to the CERM Endangered Raptors Centre of Rocchette di Fazio (GR, Italy).
Name and address of employer	-
Type of business or sector	-
Dates	2009
Occupation or position held	External consultant

Main activities and responsibilities	Actions for the restocking of the red kite (<i>Milvus milvus</i>) in the Upper Albegna Valley (GR, Italy) and in the Gola della Rossa e di Frasassi Regional Park (AN). International relations for searching donor countries, release of 15 individuals coming from Corsica and 10 ones coming from Switzerland. Individuals fitted with wing tags and VHF transmitters. Radiotracking and video control system (feeding platforms) of the individuals released in Tuscany.
Name and address of employer	ALTURA, Associazione per la tutela degli uccelli rapaci e dei loro ambienti, Via Cardinal san Felice, 4, 00167 Roma, Italy
Type of business or sector	ONG, Conservation of nature
Dates	2009
Occupation or position held	Voluntary activities
Main activities and responsibilities	Management of the CERM Endangered Raptors Centre (Rocchette di Fazio, GR). Relations with Italian and European public bodies and associations working on the species red kite (<i>Milvus milvus</i>) and Egyptian vulture (<i>Neophron percnopterus</i>). Acquisition of a young vulture from Spain. Presentation of the red kite restocking programme in Tuscany within an international congress on the red kite in France, organized by LPO.
Name and address of employer	-
Type of business or sector	-
Dates	2009
Occupation or position held	External consultant
Main activities and responsibilities	Supplying and installation of a video control system for the monitoring of a feeding platform in the Gola della Rossa e di Frasassi Regional Park (AN, Italy).
Name and address of employer	Comunità Montana dell'Esino Frasassi, via Dante 268, 60044 Fabriano (AN), Italy
Type of business or sector	Public body
Dates	2009
Occupation or position held	External consultant
Main activities and responsibilities	Support for the purchase and setting of a satellite transmitter (Microwave telemetry, Argos system) for a short-toed eagle (<i>Circaetus gallicus</i>) in the Maremma Regional Park and advice for the analysis of the satellite data.
Name and address of employer	Diomedea Studium srl, Roma, Italy
Type of business or sector	Didactic services on natural sciences
Dates	01/01/2006 – 31/12/2008
Occupation or position held	External consultant
Main activities and responsibilities	Project management of the LIFE+ Nature project "Protection of the endangered raptors of Matera Province" RAPACI LUCANI (LIFE05 NAT/IT/000009). Technical and financial management of the whole project. Planning of: structures for a recovery centre for raptors, three feeding sites for raptors and a new model of artificial nest for lesser kestrel (<i>Falco naumanni</i>). Cooperation in the production of didactic and technical products, drawing up of the technical and financial reports for the European Commission.
Name and address of employer	Provincia di Matera, Via Ridola, 60, 75100 Matera, Italy
Type of business or sector	Public body
Dates	01/10/2008 – 30/11/2008
Occupation or position held	External consultant
Main activities and responsibilities	Preparation of the LIFE+ Nature "Measures for the conservation of Chiroptera and Avifauna in Central Italy" SAVE THE FLYERS, approved by the European Commission (LIFE08 NAT/IT/000332, www.lifesavetheflyers.it).
Name and address of employer	Unione dei Comuni Montani Amiata Grossetana, Loc. Colonia, 58031 Arcidosso (GR), Italy
Type of business or sector	Public body

Dates	01/10/2004 – 30/09/2008
Occupation or position held	External consultant
Main activities and responsibilities	Project management assistance within the LIFE Nature project "Conservation of habitats and raptors of Monte Labbro and Upper Albegna Valley" BIARMICUS (LIFE04 NAT/IT/000173). Technical and financial assistance in the management of the whole project. Organization of dissemination events, contacts with local stakeholders, drawing up of the technical and financial reports for the European Commission, of the Layman's report (http://tinyurl.com/9duqzy4), etc.
Name and address of employer	Comunità Montana Amiata Grossetano, Loc. San Lorenzo, 58031 Arcidosso (GR), Italy
Type of business or sector	Public body
Dates	01/10/2004 – 30/09/2008
Occupation or position held	External consultant
Main activities and responsibilities	Management of the red kite (<i>Milvus milvus</i>) restocking programme in Southern Tuscany within the LIFE Nature project "Conservation of habitats and raptors of Monte Labbro and Upper Albegna Valley" BIARMICUS (LIFE04 NAT/IT/000173). Research of donor countries (France and Switzerland) and contacts with French and Swiss associations and authorities, missions in Corsica (France), preparation of the papers for getting the needed permissions, attaching of VHF transmitters and wing tags etc.
Name and address of employer	Comunità Montana Amiata Grossetano, Loc. San Lorenzo, 58031 Arcidosso (GR), Italy
Type of business or sector	Ente pubblico
Dates	01/09/2008 – 30/09/2008
Occupation or position held	External consultant
Main activities and responsibilities	Drawing of part of the National Action Plan for the Egyptian vulture (<i>Neophron percnopterus</i>) in Italy within RAPACI LUCANI LIFE Nature Project (LIFE05 NAT/IT/000009), action A.5, carried out by INFS/ISPRA, concerning a "Protocol for the release of Egyptian vultures born in captivity through the hacking method".
Name and address of employer	Istituto Nazionale per la Fauna Selvatica (ISPRA), via Ca' Fornacetta, 9, 40064 Ozzano Emilia (BO), Italy
Type of business or sector	Public body, environmental research and conservation
Dates	15/07/2008 – 20/08/2008
Occupation or position held	External consultant
Main activities and responsibilities	Organization of the international final congress of BIARMICUS LIFE Nature project (LIFE04 NAT/IT/000173), action E.6. The congress took place in Arcidosso (GR, Italy) on 20 September 2008.
Name and address of employer	Comunità Montana Amiata Grossetano, Loc. San Lorenzo, 58031 Arcidosso (GR).
Type of business or sector	Ente pubblico
Dates	01/03/2008 – 23/05/2008
Occupation or position held	External consultant
Main activities and responsibilities	Organization of an international congress on lesser kestrel (<i>Falco naumanni</i>) within RAPACI LUCANI LIFE Nature project (LIFE05 NAT/IT/000009), action E.7. The congress took place in Matera on 23 May 2008.
Name and address of employer	Provincia di Matera, Via Ridola, 60, 75100 Matera.
Type of business or sector	Public body
Dates	2008
Occupation or position held	External consultant
Main activities and responsibilities	Integration of the Action plan for the SCI Monte Labbro and Upper Albegna Valley within BIARMICUS LIFE Nature project (LIFE04 NAT/IT/000173).
Name and address of employer	Lynx Natura e Ambiente srl, Via Britannia, 36 00183 Roma, Italy
Type of business or sector	Environmental consultant company

Dates	2008
Occupation or position held	External consultant
Main activities and responsibilities	Collaboration in the red kite (<i>Milvus milvus</i>) restocking programme in Tuscany within BIARMICUS LIFE Nature programme (LIFE04 NAT/IT/000173); 20 individuals fitted with wing tags and VHF transmitters.
Name and address of employer	Temi srl, via Spallanzani, 32, 00161 Roma, Italy
Type of business or sector	Environmental consultant company
Dates	June 2008
Occupation or position held	External consultant
Main activities and responsibilities	Collaboration in the drawing up of an "Action plan for Egyptian Vulture <i>Neophron percnopterus</i> in the European Union" realized by SEO/BirdLife and BirdLife International. Participation in a workshop on this topic that took place on 23-24 June 2008 in Madrid (Spain).
Name and address of employer	SEO/Birdlife, C/. Melquiades Biencinto, 34, 28053 Madrid (Spain)
Type of business or sector	ONG, conservation of birds
Dates	01/01/2007 – 30/09/2008
Occupation or position held	External consultant
Main activities and responsibilities	Scientific direction of the CERM Endangered Raptors Centre, located at Rocchette di Fazio (GR, Italy), within BIARMICUS LIFE Nature project (LIFE04 NAT/IT/000173). Relations with Italian and European administrations and associations working on the species red kite (<i>Milvus milvus</i>) and Egyptian vulture (<i>Neophron percnopterus</i>). Presentation of CERM activities within international congresses and workshops.
Name and address of employer	Comunità Montana Amiata Grossetano, Loc. San Lorenzo, 58031 Arcidosso (GR), Italy
Type of business or sector	Public body
Dates	2008
Occupation or position held	External consultant
Main activities and responsibilities	Support for the purchase and setting of two satellite transmitters (NorthStar PTT) for Egyptian vultures (<i>Neophron percnopterus</i>).
Name and address of employer	Comune di Laterza, Via Piazza Plebiscito, 2, 74014 Laterza (TA), Italy
Type of business or sector	Public body
Dates	2007-2008
Occupation or position held	External consultant
Main activities and responsibilities	Monitoring of the feeding platform located in CERM Endangered Raptors Centre, at Rocchette di Fazio (GR, Italy) within BIARMICUS LIFE Nature project LIFE04 NAT/IT/000173.
Name and address of employer	Temi srl, via Spallanzani, 32, 00161 Roma, Italy
Type of business or sector	Environmental consultant company
Dates	2007
Occupation or position held	External consultant
Main activities and responsibilities	Drawing up of a project for the institution of a protected area at Accesa Lake (GR, Italy).
Name and address of employer	Iris sas di Bacci Maurizio, via Volterrana, 183, 50020 Cerbaia Val di Pesa (FI), Italy
Type of business or sector	Environmental consultant company
Dates	01/01/2003 – 31/12/2007
Occupation or position held	External consultant

Managing of the captive breeding centre and managing of the release actions, relations with European public bodies and associations working on the species, search of injured individuals in Spain, didactic activities etc.
Name and address of employer	Associazione Italiana per il WWF for Nature ONLUS, Roma.
Type of business or sector	ONG, conservation of nature
Dates	October/November 2007
Occupation or position held	External consultant
Main activities and responsibilities	Ideation and preparation of the LIFE+ Nature proposal "A new strategy against the poisoning of large carnivores and scavenger raptors" ANTIDOTO submitted for the LIFE+ 2007 call, approved by the European Commission (LIFE07 NAT/IT/000436, www.lifeantidoto.it).
Name and address of employer	Ente Parco Nazionale del Gran Sasso e Monti della Laga, via del Convento 1, 67010 Assergi (AQ), Italy
Type of business or sector	Public body
Dates	15/07/2007 – 31/08/2007
Occupation or position held	External consultant
Main activities and responsibilities	Release of one born in captivity Egyptian vulture (<i>Neophron percnopterus</i>) with the hacking method in the Gravina di Laterza LIPU Oasis (TA, Italy). Individual fitted with a VHF and a satellite transmitter. Radiotracking and analysis of satellite data.
Name and address of employer	Comune di Laterza, Via Piazza Plebiscito, 2, 74014 Laterza (TA), Italy
Type of business or sector	Public body
Dates	15/07/2006 – 31/08/2006
Occupation or position held	External consultant
Main activities and responsibilities	Release of two born in captivity Egyptian vultures (<i>Neophron percnopterus</i>) with the hacking method in the Gravina di Laterza LIPU Oasis (TA, Italy). Individuals fitted with a VHF and one satellite transmitter. Radiotracking and analysis of satellite data (up to 2010).
Name and address of employer	Comune di Laterza, Via Piazza Plebiscito, 2, 74014 Laterza (TA), Italy
Type of business or sector	Public body
Dates	2006
Occupation or position held	External consultant
Main activities and responsibilities	Drawing up of guide lines for the project proposal "Restocking of the griffon vulture in Supramonte area" (NU, Italy).
Name and address of employer	Temi srl, Via Spallanzani, 32, 00161 Roma, Italy
Type of business or sector	Environmental consultant company
Dates	2005
Occupation or position held	External consultant
Main activities and responsibilities	Planning of the installation of 30 artificial nests for kestrel (<i>Falco tinnunculus</i>) in the Province of Livorno (Italy).
Name and address of employer	ENEL Distribuzione S.p.A., Roma, Italy
Type of business or sector	Electric company
Dates	2005
Occupation or position held	External consultant

Main activities and responsibilities	Release of two born in captivity Egyptian vultures (<i>Neophron percnopterus</i>) in the Grosseto Province (Rocconi Nature Reserve, Italy) with the hacking method. Individuals fitted with VHF transmitters and one of them with a satellite transmitter. Construction of an artificial nest-box; installation of a video control system in the artificial nest-box; construction of two provisional hides; supplying of three provisional feeding places; monitoring of the released vultures, radiotracking and analysis of satellite data.
Name and address of employer	Associazione Italiana per il WWF for Nature ONLUS, Roma, Italy
Type of business or sector	ONG, conservation of nature
Dates	01/01/2005 – 31/12/2005
Occupation or position held	External consultant
Main activities and responsibilities	Technical assistance to the planning of structures foreseen in BIARMICUS LIFE Nature project (LIFE 04 NAT/IT/000173), action A.3, in particular in the planning of CERM Endangered Raptors Centre composed of 18 aviaries and facilities, especially aimed at hosting Egyptian vultures - <i>Neophron percnopterus</i> (captive breeding station) and young red kites (<i>Milvus milvus</i>) for the acclimatization period before being released for a restocking programme.
Name and address of employer	Comunità Montana Amiata Grossetano, Loc. San Lorenzo, 58031 Arcidosso (GR), Italy
Type of business or sector	Public body
Dates	10/10/2005 - 21/12/2005
Occupation or position held	External consultant
Main activities and responsibilities	Preparation of the LIFE project proposal "Integrated management of SCI's and SPA's of the Marche Apennines" for the LIFE 2006 call.
Name and address of employer	Provincia di Pesaro e Urbino, Servizio 4.3 – Ambiente, Agricoltura e Tutela della Fauna, Via Gramsci, 4, 61100 Pesaro, Italy
Type of business or sector	Public body
Dates	15/07/2005 – 31/07/2005
Occupation or position held	Voluntary activity
Main activities and responsibilities	Rearing and release with the hacking method of two Egyptian vultures - <i>Neophron percnopterus</i> - (eggs confiscated by the Italian Forest Service) in the Gravina di Laterza LIPU Oasis (TA, Italy). Individuals fitted with VHF transmitters.
Name and address of employer	LIPU/BirdLife, Via Trento, 49, 43100 Parma, Italy
Type of business or sector	ONG, Conservation of nature
Dates	15/10/2004 - 20/12/2004
Occupation or position held	External consultant
Main activities and responsibilities	Preparation of the LIFE proposal "Conservation of habitats and species in the Pesaro Apennines" for the LIFE call 2005.
Name and address of employer	Provincia di Pesaro e Urbino, Servizio 4.3 – Ambiente, Agricoltura e Tutela della Fauna Via Gramsci, 4, 61100 Pesaro, Italy
Type of business or sector	Public body
Dates	01/10/2004 – 20/11/2004
Occupation or position held	External consultant
Main activities and responsibilities	Preparation of the LIFE+ Nature proposal "Protection of the endangered raptors of Matera Province" for the LIFE 2005 call, approved by the European Commission (LIFE05 NAT/IT/000009).
Name and address of employer	Provincia di Matera, Via Ridola, 60, 75100 Matera, Italy
Type of business or sector	Public body
Dates	15/07/2004 – 31/08/2004
Occupation or position held	External consultant

Main activities and responsibilities	Support to the Egyptian vulture (<i>Neophron percnopterus</i>) restocking programme within the POR-Puglia "Action plan for the conservation of the Egyptian vulture in the SCI and SPA Area delle gravine". Coordination of the release of a born in captivity Egyptian vulture (preparation of the hack nest, radiotracking).
Name and address of employer	Comune di Laterza, Via Piazza Plebiscito, 2, 74014 Laterza (TA), Italy
Type of business or sector	Public body
Dates	2003 – 2004
Occupation or position held	External consultant
Main activities and responsibilities	Support to the Northern bald ibis (<i>Ibis eremita</i>) migration project towards Italy.
Name and address of employer	Waldrappteam.at, schulgasse, 28, 6162 Mutter, Austria
Type of business or sector	ONG
Dates	01/07/2003 - 31/12/2003
Occupation or position held	External consultant
Main activities and responsibilities	Management of the CRASM, Maremma Wild animals recovery centre, Semproniano (GR, Italy).
Name and address of employer	Associazione Italiana per il WWF for Nature ONLUS, Roma, Italy
Type of business or sector	ONG, conservation of nature
Dates	01/10/2003– 20/11/2003
Occupation or position held	External consultant
Main activities and responsibilities	Preparation of the LIFE proposal "Conservation of habitats and raptors of Monte Labbro and Upper Albegna Valley" BIARMICUS for the LIFE 2004 call, approved by the European Commission (LIFE 04 NAT/IT/000173).
